Accelerating the Transformation of Healthcare

Making higher quality, more affordable healthcare a reality for all Americans requires dedicated leadership and a deep understanding of U.S. healthcare. The team at the Peterson Center on Healthcare, the Peter G. Peterson Foundation, and the Center's advisory board guide our overall strategy and ensure work is well-informed, substantive, and effective.

Peterson Center on Healthcare Leadership

Jay Want, MD

Senior Advisor

Advisory Board

The Peterson Center on Healthcare Board of Advisors provides advice on the Center's strategic direction, priorities, initiatives and annual activities to the Executive Director and Peter G. Peterson Foundation leadership. To best serve

our mission, the Board brings in a wide range of experience and perspectives. By doing so, all major stakeholders in the healthcare process are represented, including healthcare providers, payers, employers, consumers, and academic and policy experts.
