## Center Staff Testifies Before Congress on Data Access to Strengthen ERISA and Employer-Sponsored Health Benefits

Mairin Mancino—the Peterson Center on Healthcare's Senior Advisor, Policy—testified before Congress in the House Subcommittee on Health, Employment, Labor, and Pensions' hearing on strengthening ERISA and employer-sponsored health benefits. In her testimony, she emphasized the importance of data access for employers to better carry out their fiduciary responsibilities, motivate employer markets, and ultimately reduce healthcare costs.
